MESSAGE FROM SID CHAIRMAN

This year's SID Annual Golf Tournament marks a significant milestone, it is the 20th year we are hosting this major social event to bring together SID members and supporters, and raise funds for the organisation. We are extremely grateful to our many corporate sponsors for their strong support throughout the years, especially in these uncertain times.

The 2021 Special Edition of the SID Golf Tournament takes on a new format that is adapted to the ongoing social distancing guidelines, to ensure all players enjoy a safe game. It is a day to take time off from our busy schedules, to reconnect and recharge, and take on a different type of challenge on the course.

We are pleased to offer a range of prizes from our generous sponsors. Up for grabs are the Individual and Team trophies, and the hole-in-one sponsor is Cycle & Carriage. We have also lined up more than 70 attractive Lucky Draw prizes for participants.

Thank you for joining us on this special day, and I wish you a memorable afternoon and an enjoyable golf game.

THE GAME

The Competition

The competition shall consist of a single round of 18 holes in accordance with the Rules of Golf approved by the Royal and Ancient Golf Club of St Andrew and the United States Golf Association and the local rules of Tanah Merah Country Club – Garden Course (TMCC).

The format of play shall be Stableford Points based on the player's handicap calculated using the Double Peoria Handicapping System. There shall be only one division for all participating golfers. The maximum handicap for men shall be 24 and women golfers 36.

In the event of a tie for any place, the "tied" places will be determined by the TMCC count-back system. Players are requested to play without delay. If your score is more than DOUBLE PAR for the hole, please pick up your ball and proceed to the next tee box. Please record your gross score as double par for the hole, e.g. Par 3 will be 6 and so on.

In the event of inclement weather resulting in the inability of players to continue to play, the competition will be cancelled.

The decisions of the Tournament Director are final.

The Double Peoria Handicapping System

Each player shall record his gross score for each hole, with double par minus one [1] as the maximum for any hole. After the tournament, 12 random holes will be selected. The player's gross scores (maximum double par minus one [1]) for these 12 holes are totalled and then multiplied by 1.5. The resulting number minus 72 [par] is further multiplied by 80 per cent. This will be the player's Double Peoria System handicap for the day. This Double Peoria handicap will then be used to calculate the player's Stableford Points.
