ABOUT SID

Mission

To foster good governance and ethics in corporate leadership.

Vision

To be the national association advancing the highest level of ethical values, governance, and professional development of directors.

The Singapore Institute of Directors (SID) is the national association of company directors. SID promotes the professional development of directors and corporate leaders, and provides thought leadership and benchmarking on corporate governance and directorship. It works closely with the authorities and its network of members and professionals, to uphold and enhance the highest standards of corporate governance and ethical conduct.

Formed in 1998, the membership of SID comprises mainly directors and senior leaders from business, government agencies and nonprofits. SID has a comprehensive training curriculum that covers the spectrum of a director's developmental journey. Members have access to a range of resources, including research publications, forums, seminars, benchmarking awards and indices, board appointment services and regular networking and social events.

MESSAGE FROM SID CHAIRMAN

The 21st edition of the SID Annual Golf Tournament this year comes as Singapore adapts to the “new normal” and learns to live with Covid. As in-person events and social activities resume, the annual fixture brings with it a renewed sense of excitement and vigour. We are delighted to host this major social event to bring together SID members and supporters, and raise funds for the organisation to continue our work in advancing the highest level of ethical values, governance and professional development of directors in Singapore. We are extremely grateful to our many sponsors for their strong support throughout the years, especially over the past 26 months when our usual activities were disrupted. The SID Golf Tournament is a day to take time off from our busy schedules, and take on a different type of challenge on the course. As we reconnect and recharge, with friends old and new, we hope to build and grow a directorship community equipped for the changing times.

This year, we are pleased to offer a range of prizes from our generous sponsors. Up for grabs are the Individual and Team trophies, and the Daimler Hole-in-One bonanza. We have lined up more than 100 Lucky Draw awards, and all participants will have an opportunity to bring home attractive prizes.

Thank you for joining us on this special day, and I wish you a memorable afternoon and an enjoyable golf game.

THE GAME

The Competition

The competition shall consist of a single round of 18 holes in accordance with the Rules of Golf approved by the Royal and Ancient Golf Club of St Andrew and the United States Golf Association and the local rules of Tanah Merah Country Club – Tampines Course (TMCC).

The format of play shall be Stableford Points based on the player's handicap calculated using the Double Peoria Handicapping System. There shall be only one division for all participating golfers. The maximum handicap for men shall be 24 and women golfers 36.

In the event of a tie for any place, the "tied" places will be determined by the TMCC count-back system. Players are requested to play without delay. If your score is more than DOUBLE PAR for the hole, please pick up your ball and proceed to the next tee box. Please record your gross score as double par for the hole, e.g. Par 3 will be 6 and so on.

In the event of inclement weather resulting in the inability of players to continue to play, the competition will be cancelled.

The decisions of the Tournament Director are final.

The Double Peoria Handicapping System

Each player shall record his gross score for each hole, with double par minus one [1] as the maximum for any hole. After the tournament, 12 random holes will be selected. The player's gross scores (maximum double par minus one [1]) for these 12 holes are totalled and then multiplied by 1.5. The resulting number minus 72 [par] is further multiplied by 80 per cent. This will be the player's Double Peoria System handicap for the day. This Double Peoria handicap will then be used to calculate the player's Stableford Points.
